

Toys for Tots

We are especially fortunate. Our children and grandchildren are all residents of Citrus County – and we have a baker's dozen of the latter! They keep life busy. There's always a school function, a ball game, a special event. Still, the best hours of the year are at Christmas. There's enough laughter and joy during the Holiday Season to fill the Grand Canyon.

Our family also knows there are many families who are not so fortunate. Throughout the year we give of our time and talents in various ways, but during the month of December we step up the pace in hopes of making a difference in the lives of others come Christmas morning. We proudly support Toys for Tots with our time and with donations.

As our family gathers together Christmas Eve and Christmas Day we experience a tender warmth in our hearts in the knowledge that several children throughout the county have been touched by this wonderful program. Somehow that knowledge seems to make our tree glow a little brighter.
